Logo Committee Recommendations-John Lickvar

The committee members were Mark Horner, Maureen Pisano and Kathleen Golden.

17 different logos were submitted from six of our members. We will be sending out an electronic version for all members to vote on.

Vote #1 – Go from 6 options down to the 2 finalists.

Vote #2 – Select the final winner.

All members (active couples and active individuals) are eligible to vote. All the voting through email. There will be a special email address given to vote, you must have a current email address with the club directory. There was a brief (but enthusiastic) discussion following the presentation of the logo committee recommendations. John agreed to encourage members to further share their feedback prior to the voting, and to investigate the cost implications of a logo change.
