NCM-Rick Creekmore

Over the last year TCA members were talking about displaying their Corvettes or donating their car to the NCM. If you want to display your Corvette you must be a NCM member, your Corvette must be stock correct, will be displayed for 9-12 months, you must have insurance. At the end of the 9-12 months you'll receive a lapel pin, a certificate of appreciation, a car decal and a plaque. Your car doesn't have to be a Corvette to donate, 90% of the cars are Corvettes however. NCM has the options to display, drive or sell your car, they have to keep it for three years and then they can sell it.
