

TEXAS CORVETTE ASSOCIATION  
General Membership Meeting Minutes  
Tuesday, March 7, 2017

**Call to Order:** 7:30 pm by President, John Lickvar

**Opening Comments:** John had a newspaper from 1994 showing car sales from a local dealership. He asked members to guess the price of a 1994 Corvette Coupe. The answer was \$29,988 which is probably about what it would be worth today.

John announced that a founding member, Mr. Clower, passed away last week. We will be contacting the family to see how they would like their memorial distributed. We will suggest that we would like to buy a brick at the NCM in his name. Other notable deaths were the mothers of Michael Reinert and Rene Read.

There was a TCA board meeting last night. John gave a reminder to all that we still need volunteer workers for several areas at the car show. If you can help, please speak to someone tonight.
