TARGA & ST. JUDE’S:

Dan Martin gave a report on the upcoming NCRS event. He had gotten several volunteers to help with this judging event before he knew that, for insurance purposes, each volunteer needed to be a member of NCRS. He is sorry he couldn’t use everyone but some helpers decided to become members. He encouraged everyone to attend because there will be many **great** cars to see.

Haberdashery:

Pat has inventory available tonight. She reported that she will not be at the July meeting.

NCM Update:

Rick Creekmore reminded everyone of the benefits of insuring your cars through the Museum. The requirements are that the car has to be a collectible with no more than 6K miles driven in a year. The insurance premium is based on the mileage. The NCM also insures other collectible cars such as classic Mustangs, etc. If you are interested visit their website at ncminsurace.com
John Lickvar informed the club that we had received an award (a pin) from the NCM for our support. The Spechts and the Webers were able to attend the award banquet and represent TCA. John presented the pin to our Treasurer, Rick Lindner, in appreciation of his efforts to obtain sponsors for the Car Show.

Safety Update: a reminder that with school out we have entered into the 100 deadliest days of summer on our roads and highways. Drive defensively!

New Business:

President John Lickvar reminded the membership that besides St. Jude’s Ranch we also contribute money to other local charities. Also, John noted that since our July meeting would fall on the 4th of July, we will not be meeting that night. There is a scheduling conflict with Biffs so we may skip that month to meet. He will let us all know via email.

Adjournment:

It was moved by Bob Butler and seconded by Tom Marazzi that the meeting be adjourned at 8:25 p.m.

Respectfully Submitted by:
